Canadian Math Kangaroo Contest

What is it?

A nationally ranked multiple choice contest which aims to challenge participants and show them just how fun math can be!

Where is it?

Math Kangaroo can be written at any one of our existing locations across Canada with more being added every year.

Is training available?

YES! We offer online training and many sites offer on-campus training, clubs, and camps.

How much does it cost?

\$17 per participant until Feb 24

\$25 per participant after Feb 24

Limited number of fee waivers are available.
